

Build Berlin around the first real orientation day

7 days | Mon 3 Aug to Sun 9 Aug | Base: Mitte / Alexanderplatz

WHY THIS PLAN FITS

I kept the first day around Mitte after the BER transfer, so you can leave your bags and learn the area without crossing Berlin again.

This plan keeps Berlin area-by-area instead of sending you across the city all day. Start with context early, then use the rest of the trip for Wall history, museums, food, neighborhoods, and slower backup time. Book-ahead flags are called out so timed entries do not surprise you.

Plan at a glance

I have shaped your 7 days in Berlin

WHY THESE DAYS ARE IN THIS ORDER

- 1 BER comes first: the airport train and bag drop happen before sightseeing.
- 2 Day 1 stays compact after arrival around Mitte.
- 3 Day 1 carries a Monday opening check before any museum door.
- 4 The 11:30 BerlinWalk from the World Clock anchors Day 2.

WEATHER READ

Live forecast: high 21 C, low 14 C, 0% rain. Overcast, 21 C

[Route:Open the complete Day 1...](#)

DAY LOGIC

The BER transfer and bag drop come before sightseeing; the first walk stays close to Mitte / Alexanderplatz.

OPENING BACKUP

Use open-air history before any museum door

[Map:Brandenburg Gate](#)

Monday is risky for museum interiors. Start with Topography of Terror, Brandenburg Gate, or the memorials, then check one exact museum before going inside.

ARRIVAL

Land, reach your base, then keep it light

[Map:BER Airport -> Mitte /...](#)

Take the train to your base, leave your luggage, then keep the first walk close to where you are staying.

LUNCH

Lunch near your base

[Map:Curry 61](#)

AFTERNOON

Settle into Mitte

[Map:Alexanderplatz](#)

Start with a spin around Alexanderplatz. It's chaotic, it's loud, and it's the perfect wake-up call to let you know you've arrived.

EVENING

Easy dinner, then stop

[Map:YamYam](#)

BerlinWalk tour, then free central history

4 Aug 2026 | Alexanderplatz -> historic centre | Walk + public transport

WEATHER READ

Start with the 2-hour walk, then keep the rest of this day nearby.

LUNCH

Lunch near Hackescher Markt

[Map:Shiso Burger](#)

AFTERNOON

Topography of Terror after the tour

[Map:Brandenburg Gate](#)

Use Topography of Terror as the one serious follow-up. If the day feels too heavy, switch to the Brandenburg Gate and memorial walk.

NEARBY OPTION

Optional stop near Reichstag

[Map:Reichstag](#)

Use this only if you still have energy. Stay near Reichstag instead of crossing Berlin.

EVENING

Simple central dinner

[Map:Clärchens Ballhaus](#)

Friendly reminder: double-check if you need a timed-entry ticket! Nobody likes being turned away at the door.

Cold War geography

5 Aug 2026 | Bernauer Straße -> Friedrichshain | Public transport + walk

DAY LOGIC

Day 3 uses public transport for the longer move: Berlin Wall Memorial; then East Side Gallery and Spree edge.

Lunch near the Wall

[Map: 1990 Vegan Living](#)

AFTERNOON

East Side Gallery and Spree edge

[Map: East Side Gallery](#)

Walk East Side Gallery slowly, then stay by the Spree and Oberbaum Bridge. If rain wins, make Topography of Terror the backup instead.

NEARBY OPTION

After East Side Gallery, keep the backup nearby: a short Spree edge, Oberbaum Bridge, or a cafe/covered stop toward Kreuzberg. No second Wall route.

EVENING

Dinner in Friedrichshain

AFTERNOON

Savignyplatz and Lietzensee

[Map: Savignyplatz](#)

Stay west for cafes, bookstores, and a quieter lake walk.

LUNCH

Lunch at Markthalle Neun

[Map: Scheers Schnitzel](#)

[Map: Markthalle Neun](#)

Use Oranienstraße for the afternoon food layer. If rain wins, stay inside a cafe instead of adding another district.

NEARBY OPTION

[Map: Oranienstrasse](#)

Use a covered market, cafe, or courtyard near Oranienstrasse. Keep the food day in one area.

EVENING

Dinner on Oranienstraße

[Map:Potsdam Hbf](#)

Take the regional train to Potsdam after the rush and keep Charlottenburg Palace as the lower-energy Berlin fallback.

LUNCH

Lunch in Potsdam

[Map:Maximilians](#)

AFTERNOON

Sanssouci Palace gardens

[Map:Sanssouci](#)

Use Sanssouci as the main anchor and keep the park walk unhurried. If the palace is closed, make the park the point and skip the indoor ticket.

[Map: Tempelhofer Feld](#)

Use Tempelhofer Feld as the main free outdoor space instead of adding more central monuments.

LUNCH

Lunch near Tempelhofer Feld

[Map: Hofbräu Wirtshaus](#)

AFTERNOON

Tempelhofer Feld runway and picnic side

[Map: Tempelhofer Feld](#)

Return to the field from a different entrance, or sit on the grass instead of crossing Berlin for another free sight.
