

Ultimate Berlin Trip Plan

Mon, 1 Jun 2026 | 7 days | Mitte / Alexanderplatz

A BerlinWalk plan built around geography, weather, opening-day rules, and the best tour slot.

See Berlin well and save energy for the night

This plan keeps Berlin area-by-area instead of sending you across the city all day. Start with context early, then use the rest of the trip for Wall history, museums, food, neighborhoods, and slower backup time. Book-ahead flags are called out so timed entries do not surprise you.
