

Build Berlin around the first real orientation day

7 days | Mon 3 Aug to Sun 9 Aug | Base: Mitte / Alexanderplatz

WHY THIS PLAN FITS

I kept the first day around Mitte after the BER transfer, so you can leave your bags before the first stop.

This plan keeps Berlin area-by-area instead of sending you across the city all day. Start with context early, then use the rest of the trip for Wall history, museums, food, neighborhoods, and slower backup time. Book-ahead flags are called out so timed entries do not surprise you.

Plan at a glance

I have shaped your 7 days in Berlin

WHY THESE DAYS ARE IN THIS ORDER

- 1 BER comes first: the airport train and bag drop happen before sightseeing.
- 2 Day 1 stays compact after arrival around Mitte.
- 3 The 11:30 BerlinWalk from the World Clock anchors Day 2.
- 4 Each relevant day keeps one named covered backup close to its route.
